POVERTY CHALLENGE

There are some people who have to look for food inside the garbage bin because of poverty.

Adrià Berbel

In many cities there are some people who don't have a house and they can't sleep in a warm place at night. They survive in streets by eating food that they find in the litter. Those people are called homeless.

Anabel Marín

Carles Fabregas

While a lot of families are living in the streets, there are a lot of empty houses in the cities.

In this picture, we can see a poor man with a collecting bowl. In this bowl I could see only some coins. I stood for about a quarter of an hour in front of him. Only one woman stopped and gave him 5 cents.

Jordi Juárez

Still today we can find houses as these in our town in which there is neither water nor light .

Mario Yañez

Poverty is a big problem in the world. In our cities there are a lot of people who haven't got anything to eat. They're obliged to search in the garbage for something to eat or to be sold for some money.

Marc Rosaura

Every day more people have to go to the rubbish bin to look for something to help them to live. Have you ever been in this situation? Take care, because you might be one of them in the future.

Miquel Serra

That's what lots of people, even children eat in a day because of their precarious economical situation and their country's poverty.

Núria Isern

In Terrassa there are immigrants.
Immigrants sell music, fakes of famous brands, etc. They need to earn some money for their families.
This is illegal, but if they didn't do so, they wouldn't have anything to eat.

ALL I HAVE

I chose to do a drawing to show this. Drawing hands are simple but not typical because they are signs of dirt, old age and not being cared for. These empty hands symbolise emptyness, poverty.
